Good Morning,

I apologize for the delay. I had to reach out to the residency & planning group for the answer. The Department currently has the following projects planned for the locations you outlined:

Currently in construction:

D265461 Highway Improvements/Mill & Fill - Rt 78 - Towns of Amherst, Clarence, Lockport, Pendleton, City of Lockport is set to be a 2 year project with the section from NY 93 to Lockport SCL to be completed in 2026

Project to be put out to Bid:

5V2551 – 2025 - NY 93 Bypass - NY 31 to Robinson

5V2553 – 2025 - NY 93 - Raymond to Akron – is close but does not cross the power project

501138 – 2026 – NY 93 – Bypass to Raymond Rd widening – also state street intersection on the bypass is included here

581561 – 2026 – NY 78 – Lockport SCL to NY 31

No projects on NY 77 at this time.

All dates are Letting dates so construction could be the following year

**Matthew B. Frys, P.E.**

Associate Construction Engineer

Hi Matt,

National Grid has an upcoming project in the Lockport area. We'll be replacing towers at existing crossings. Below are the crossings that we will be working on. We anticipate starting construction in 2026, and the project will last at least 3 years. Can you please advise if the DOT has any future projects in these areas that will conflict with our construction?

DOT Road	Crossing Location	Town
State Highway 93	43.146938592516186, -78.71224877502489	Lockport / Niagara County
State Highway 78	43.14326947155658, -78.69688575948926	Lockport / Niagara County
Lewiston rd State Highway 77	43.144265822567526, -78.5144949208625	Royalton / Niagara County

Thank you

John Enright
